NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

In a way it seems a shame that the Jaycee Volleyball Tournament had to come to an end last Thursday night. Everyone seemed to be having a good time and I do not know when so many people have gotten together and enjoyed each other's company so much — even if there did have to be winners and losers.

I say in a way it is a shame for it to end because as they say the spirit is willing but the flesh is tired.

I do not know about the rest of the people that took part but I am not sure whether or not I could stand another week like that for awhile.

With all four of us here at the Herald on teams we were just lucky to have enough energy left to get out last week's paper and we probably would not have made it without the day off between games.

Seriously though, it does seem to us that it might be a real good thing if the Jaycees or somebody would try to get some form of league play started.

We would like to congratulate the Piper Track Team for their fine showing last Saturday in the district meet. While they were edged out of second place by Colorado City they still qualified seven boys for the regional meet in Lubbock week after next.

While on track we might mention that Jim Bonds would appear to be Hamlin's mystery man as he has had more trouble getting his name in the paper than you would think possible. The stories in the Abilene Reporter-News have called him by both his brother's names — David and George, by Barnes and everything but just plain Jim Bonds. They got closer this week as they called him James Bonds.

We even picked on him in the Herald last week as we had him winning just one event instead of the two that he won.

Jim, maybe if you just keep winning long enough we will all get together and give you the credit you deserve.

We would also like to congratulate the HHS students who will represent Hamlin in the Regional U.L. Literary meet in Lubbock.

I would guess that since there are no contests for literary events before the district meet this explains why these kids receive so little recognition for their efforts. But it is quite an honor to qualify for regional in any contest and we would like to recognize these students for this achievement.

Including the Golf Team, this makes 18 Hamlin students that will go to regional.

Some time back we were visiting with Frank Legan over at Joe Hudspeth's and somehow the discussion got around to why the Post Office has gone to using the Zip Code.

Someone wanted to know why it wasn't easier to just send a letter to Dallas than it was to 75222.

And I think that probably thinking along this line is the reason that the average person fails to understand the purpose of Zip Code. We think in terms of a letter going to someplace that we know just how you get there but if you think in terms of how you would route a letter to say Peggy, Texas, it puts the whole thing in a different light. When you add the Zip Code, which is 78062, you will find that you should route the letter to the San Antonio (West) sectional center.

This same thing becomes true when someone in New York or California mails a letter to Hamlin. It becomes a problem for someone in the original post office to know whether Hamlin is in North, South or Central Texas. But with the Zip Code they know right where to route it. They just look at the first three numbers (795) and know that it goes into Abilene and will be routed out from there.

There have been some bugs in the system because of the increased workload and job changes forced on the offices that have been named sectional centers but it seems that most of the problems have about worked themselves out.

GO TO REGIONAL UTL CONTESTS — Hamlin High School students who earned the right to go to regional competition are making preparations for the trip to Lubbock Apr. 22. The students and the places they won at the Colorado City district contest are, left to right,

seated, LaWanda Coleman, prose interpretation, first; June Hill, shorthand, second; Helen Moore, shorthand, third; Linda Cox, persuasive speaking, first; standing, Tommy Oliver, persuasive speaking, first; and Augustin Barron, typing, first. (Tim Jones Photo)

Pipers Place Seven In Regional Track Meet

The Piper Track Squad qualified seven boys to go on to the Regional Meet in Lubbock Apr. 21 and 22 at the District 5-AA Meet held in Colorado City Saturday. The Hamlin team placed third in the district meet with 106 1-5 points.

Stamford took an early lead in the team points and finished up with 150 1-5 to take the first place honors. Colorado City edged Hamlin out for second place in the final event to finish with 110 2-5 points.

Qualifying for regional for

Hamlin were: the 440 yard Relay Team of Phillip Simpson, Clifford Titus, Sammy Ferguson and Louis Shelton with a first; Milton Davis with a first in the Discus; James Cork with a second in the Broad Jump; Jim Bonds with a first in the High Jump, a first in the 120 yard High Hurdles and a second in the 330 yard Intermediate Hurdles.

First and second places in the district meet qualify for Regional.

Track coach Pat Hughes will enter his regional qualifiers in a warm-up meet in Andrews Saturday. The Mustang Relays will be open to all boys who have qualified for the regional meet.

Hamlin results in the district meet:
Discus—1. Davis, 148-11 3-4,
6. Earnest Ledbetter.
Pole Vault—5. James Asher.

Shot—3. Jim Hastings, 6. Davis.

Broad Jump—2. James Cork.

High Jump—1. Bonds, 5-7, 4. Cork.

440 Relay—1. Hamlin, 44.2.

120 High Hurdles—1. Bonds, 14.9.

100 Yard Dash—4. Shelton.

440 Yard Dash—5. Titus.

330 Intermediate Hurdles—2. Bonds.

220 Yard Dash—3. Shelton.

1 Mile Run—3. Contreras.

1 Mile Relay—4. Simpson, Titus, Ferguson, Bonds.

The local Freshmen placed second behind Winters in the ninth grade division of the district meet.

Cancer Crusade Drive Planned Here Tuesday

The Cancer Crusade canvass of the residential section will be held Tuesday, Apr. 18, during the late afternoon and evening. Mrs. H. L. Mehahey and Mrs. Jack Willingham, presidents of Xi Gamma Pi and Beta Theta Sororities, respectively, will be in charge of the canvass.

Additional workers who would like to volunteer may contact the sorority presidents or Mrs. Johnny Bryant, Mae Gay, Buna Rountree or Mrs. Kenneth Riddle.

W. T. Johnson and volunteers are covering the downtown section this week.

C. L. Howard, county chairman, pointed out how the cancer dollar is spent in Texas. He said, 31 cents is used for research for Texas

institutions; 14 cents is used to inform physicians on progress of research; 28 cents is used for public education in schools and to alert the public as to the danger signs of cancer; 13 cents goes for services to cancer patients; seven cents goes to program development and seven cents to plan the campaign.

HHS Student Council Planning Game Night Friday

Game Night, sponsored by the Hamlin High School Student Council, will be held Friday in the high school gym beginning at 7 p.m.

Dominoes, Forty-two, bridge and other games will be played. The Student Council will serve punch, coffee and cookies.

Admission is 75 cents per person and this includes the refreshments. Drawings for free door prizes will be held. Everyone is invited to attend.

Singing Sunday

Jones-Fisher County singing will be held Sunday at 2 p.m. at the Foursquare Church.

VOLLEYBALL TOURNEY WINNERS — A group of girls playing at the Heidenheimer Honeys won the women's division of the Jaycee Volleyball tournament here last week. The players are, left to

right, Linda Bailey, Sharee Nail, Margaret Cooper, Janice Hardaway, Kay Hodnett, Rhea Sue Vaughan, Pauline Lakey and Marcia Steele. (Tim Jones Photo)

Board Approves Final Plans for High School

The Hamlin School Board approved final plans for the new High School here Monday night in the regular monthly Trustee meeting in the Superintendent's office in the high school.

The Architectural firm of Tittle, Luther, Loving and Lee of Abilene announced after the board's approval that they would have the completed plans ready in about ten days and that the board could be ready to accept bids between May 15 and 20.

They expect construction to start by June 1 and the contractor would have one calendar year to complete the building.

In other action by the board:

The recent trustee election was canvassed with the board certifying the results. Dr. James Harrison was sworn in as a member but Lewis Earl Madden, who was absent, will have to wait until the next meeting.

The board re-elected its present officers for another term. These are Bill Harbert, president; Joe Hudspeth, vice president; and Dr. M. L. Smith, secretary.

The board delayed setting the new tax rate until after the firm of McMorries and Co., Inc. of Amarillo completes its re-evaluation survey of the school district and the equalization board meets.

The board has purchased the Jones County valuation cards from the county and has hired the McMorries firm to bring these cards up to date and prepare cards on 42 sections of land in Stonewall County and the 70 sections of land in Fisher County in

Hamlin School District.

The board paid the county \$3,000 for the use of the county cards and will pay McMorries and Co. \$7,492 for their service.

Supt. C. F. Cook said Monday night that he hopes that the District's values will be such that it will take a very small increase in the total

tax rate to service the High School building bonds. The present rate is \$1.50 for local maintenance and 15 cents for bond retirement. With an increase in the total valuation Mr. Cook said that he hoped that the local maintenance could be set at \$1.40 and the bond rate at 35 cents, making a total rate of \$1.75.

SECOND SESSION TONIGHT—

Patrolman Stresses Defensive Driving Need

"We must practice defensive driving from the day we start driving" says Patrolman Dan Nowlin, one of the instructors for the defensive driving course now being taught in Hamlin.

Nowlin and Patrolman Bobby Williams presented the first of four driver improvement sessions to approximate-

ly 35 drivers in the high school auditorium Monday evening.

Nowlin said that 3406 persons were killed in Texas last year and the current rate of lives lost is one every 11 minutes. He also stated that 50% of the traffic accidents involve only one vehicle.

He said an attitude that seems to prevail is "As long as it doesn't affect me—I don't care." Also mentioned in emphasizing the Driver Improvement program, was the definition of improvement—a change in behavior. Three points of defensive driving covered by the patrolmen Monday night were 1. Recognize the hazard; 2. Understand the defense and 3. Act in time.

"How to See" will be included in the presentation tonight (Thursday) at 7 p.m. along with tips on freeway driving and other phases of defensive driving.

The course is free and is recommended for everyone who drives a car. In some cities where the course has been taught the focus was toward older drivers but the course here is directed to all drivers, according to Supt. C. F. Cook, who made local arrangements. "We strongly recommend that parents and their children who drive all attend."

Other sessions will be at 7 p.m. Apr. 17 and Apr. 20. Refreshments are being served during the brief intermission each evening by the Woman's Literary Club, co-sponsors of the course.

RAINFALL

Total rainfall for the past week measured .15 at the City Pump Station. Recorded Wednesday morning was .13. Rain last Friday amounted to .02.

Only traces were noted Thursday and Saturday.

Garden Club Flower Show Planned Apr. 20

The Hamlin Garden Club will present the eleventh Spring Flower Show Apr. 20 from 3 to 5 p.m.

It is to be a placement show with the artistic designs in the home of Mrs. Joe Hudspeth, 1250 West Lake Drive and the horticulture on display in the home of Mrs. Dick Maberry, 45 N. W. Ave. G.

Mrs. B. B. Colwell is Flower Show chairman. Mrs. Maberry is club president.

The show is open to the public and there is no admission charge.

P-TA to Sponsor Oral Polio Vaccine Drive Here Apr. 23 and June 25

The Hamlin Parent-Teachers Association will sponsor an oral polio vaccine drive here Apr. 23 and June 25. Plans for the drive were made at the Thursday afternoon meeting of the organization in the primary cafeteria.

Mrs. Jack Willingham, president, presided. Officers presented by the nominating committee were elected as follows: Mrs. Jerry Williams, president; Mrs. Bill Davis, first vice president; Mrs. Johnny Jeffrey, second vice president; Mrs. James Lain, secretary; Mrs. Kenneth Young, treasurer; and Mrs. Skipper Smith, historian.

Mrs. I. J. Starr read the PTA prayer for the invocation. Entertainment was presented by the second grade. Pre-school Day activities set for Apr. 11 were discussed.

Mrs. Fred B. Moore Sr., recipient of a lifetime membership at the last meeting expressed her appreciation to the group.

The polio vaccine will be given from 12 noon to 6 p.m. on the two Sundays mentioned in the high school gymnasium. It will be given in liquid form, a single dose in a disposable vial.

Everyone is urged to take the vaccine. Those who were

immunized during the previous mass drive should take one dose as a booster. Others who have had no immunization should take both doses.

A rise in polio in Texas last year emphasizes the need for everyone to see that all

members of their family take the vaccine.

Cost of a single dose is 80 cents. Contributions to help with the cost will be welcomed by the P-TA who is underwriting the expense of the project.

PROCLAMATION

Annual Clean-Up Week

I, Mayor H. W. Madden, hereby proclaim that the week of April 24, 1967 thru April 29, 1967, be designated as annual CLEAN-UP WEEK for the citizens of the City of Hamlin, Jones County, Texas.

The cleanliness of our city contributes much to the health and well being of the citizens of our town. It behooves us therefore to take every care and precaution to avoid any breeding places for flies and mosquitoes as they are our most common carrier of disease.

The trash and rubbish accumulated around our places provide perfect breeding places for flies and mosquitoes. To avoid having breeding places for flies and mosquitoes is the easiest and quickest way to fight these pests.

The cooperation of every man woman and child is necessary to make a success of the project. If every one cooperates and cleans up their own premises it will contribute much to the beauty and health of our city.

H. W. MADDEN (Signed)

by Mrs. Elmer Joiner
Editor's note: Mrs. Joiner delivered her column in person this week and it was a pleasure to get to visit with her in our office. She was in town to do the washing—or at least tell Elmer how to do it. They were making plans to go to Temple Tuesday for a check-up.

There is certainly nothing to report about the weather this Monday morning, so will take a tip from Kathryn Duff's column, of last Friday, to comment on. She told of the big snowstorm that came on April 8, 1938, after the fruit trees and mesquites had all put out. Personally, I well remember the time since I lost a bunch of baby chickens in the freak storm. I put the old mother hen with her babies, in a coop and shut the door good, since there were rats. If any one ever raised chickens they know what rats can do to a bunch of baby chicks. In the right the wind blew in from the north, bringing snow with it, by morning it had really turned cold and bad so one of the first things I did was to go see about my chickens. Will never forget how pitiful the old hen looked standing on a big snow drift, with three or four babies under her wings, the others buried under the snow. This all happened April 8, when it was considered too late for a freeze.

We were asked to mention the Fairview Cemetery working, which happens on the first Saturday in May. It is some time off yet, but being rather forgetful, will tell about it a little early. Plans are made to have the program and business meeting before lunch this year, hoping to catch more for the business.

Notice to the Public: Any erroneous reflection upon the character of any person or firm appearing in these columns will be corrected gladly and promptly, upon its being brought to the attention of the management.

Rev. Walter Copeland, retired Baptist preacher from Haskell, will make the main talk. All that can be cordially invited to come and spread lunch with those that are there.

Had never seen the church house since it was moved, so last Monday late, we drove up to town to see it. Was so surprising how well it had stood the moving, looks real good the way they have it set on the lot. When it is painted and finished up will look very pretty.

Mr. and Mrs. W. C. Eoff have been dressing up their house with a new roof and a new paint job.

Mrs. Alma Holmes was moved last Monday from the Anson Hospital to the Valley View nursing Home, in Anson. She is doing some better.

Rev. and Mrs. Frank Codington, pastor of Neinda Church, were visitors in the Elmer Joiner home Sunday afternoon.

We see in the Strawn Reporter that Doyle and Glenda Combs have sold out the paper in that city. It did not say what their plans are and we failed to learn. Rev. Combs has been pastoring the New Hope Baptist church, near there, for some time. They have been in Strawn for three years, my how time does fly!

Den 10 Cub Scouts Tour Herald Plant

Cub Scouts of Den 10 toured the Hamlin Herald plant Wednesday afternoon accompanied by their den mothers, Mrs. Jerry Williams and Mrs. Joe E. Ford.

The group included Alan Steele, Gerald Rodgers, Raymond Jordan, Mike Williams, Ricky Craig, Ken Maberry, Pandy Bush, Mark Fowler and Gary Ford. Guests were Jan Ford, Monte Williams and Patti Williams.

Mrs. Guy Weaver is a patient in Hendrick Memorial Hospital. She entered there Monday and is expected to return home Friday. She is in room 313.

"For Me to Live is Christ"

"And the Lord shall guide thee continually, and satisfy thy soul in draught, and make fat thy bones; and thou shalt be like a watered garden, and like a spring of water, whose waters fail not."
Isaiah 58:11.

"For me to live is Christ," is to be living for a purpose—to serve God by drawing out my soul to the poor, lonely, hungry, and lost. "For me to live is Christ," is to lead men everywhere to Jesus Christ who is the fountain of the water of life. And He has promised that when I am in His service He will guide me, and satisfy me, and I shall be like the flowers in this picture, like a watered garden, sustained by Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

SYLVESTER NEWS

By Mrs. R. M. Babb
As yet we haven't had any rain, but it is a beautiful morning and every thing is going well, so why complain? Mr. and Mrs. Guy Mauldin are the proud grandparents of a 7 lb. girl, the daughter of Mr. and Mrs. Terry Mauldin of Roby.

Mrs. Hugh Hood spent several days in Hamlin Hospital last week but is home now doing much better.

Mr. George Hood is spending several days in A-hene with Mrs. Clayton Carroll. Well, Mrs. Fred Turner can settle down now and not be driving back and forth to Brownfield. They have sold their home there and have moved on the old home place. Fred has been staying here most of the time overseeing the farm and they decided to move everything. We are happy to have them move back. Pfc. Freddy Perales of Ft.

Benning, Ga., is spending his leave with his parents here, Mr. and Mrs. Pete Perales. Freddy only has a few more months before he will have his discharge.

A very large group of friends and relatives attended the military funeral services on Sunday afternoon for Pfc. Calvin Maberry. Calvin lost his life on March 22, 1967, while fighting in Viet Nam. Any one that knew Calvin loved him and shall not soon forget our debt to him and all the boys that are fighting to keep our own U.S.A. free of just the thing that is happen-

ing over there. We should never forget that it isn't impossible for the battle to be brought to us.

Visiting in the home of the W. B. Browns over the weekend were Mr. and Mrs. W. E. Woodson of Atlanta, Mr. J. E. Woodson of Holiday Lodge in Hamlin, and the Jerry Prather family of Sweetwater.

Mr. and Mrs. W. E. Woodson also visited in the Charles Scott and Bess Scott homes. Mrs. Roy Herron was guest of honor at a pink and blue shower in the basement of the Baptist Church on

tended the UIL Typing Contest in Blackwell Thursday. Sue placed seventh and Shirley was tenth.

Max Kemp, a second grader, and Iris Guerra, a third grader, were picked from ten children for the best storytellers. Max placed sixth at Blackwell.

The Mike Galloways and Mrs. Gann sponsored a hay-

ride for the Juniors and Seniors Friday night. We wish to thank them. Oh yes, we surely cannot forget an important character who gave us the most help, Mr. Hot Hands, Billy Cooper.

The election for the consolidation of our school with Roby was held here Saturday. If ever you have seen any happy faces, there were plenty of them around that night. The students of McCaulley hope we get to keep our school as long as we possibly can.

The Freshmen and Sophomores wish the Juniors and

Seniors good luck on their trip. And please don't lose Mrs. Encke.

Amid laughter and chuckles
the seniors presented their
comedy-fantasy play "Down
To Earth." I am sure every-
one appreciated the good per-
formance and the unusual dis-
play of talent the senior class
has collected. I sure hope our
after life isn't operated in the
confused way the senior play
indicated it is!

With our fifth six weeks
tests over everyone will breath
a bit easier, at least until this
Thursday, when the report
cards are passed out.

All the students who are
planning to go to Regional
contest, at Lubbock the 22nd
of this month, have really
been putting the practice in
on the various divisions of
competition.

The high school band is
now having section rehearsals
after school in preparation for
U. I. L. contests this Saturday.
The band has already made
plans to present the Eighth
Annual Parade of Music,
which will feature all Hamlin
Concert Bands and the Stage
Band. The concert will be pre-
sented April 25, Tuesday, at

7:30 p.m. in the high school
auditorium. Admission is 75c,
and you can acquire tickets
from any band member, or at
the door.

The study hall chatter at
high school is now filled with
talk about the speed reading
course being offered by OP-
TIMIZATION of Dallas. The
demonstration class was held
last Thursday night in the
school library with about
forty adults and students at-
tending. The company guaran-
tees anyone who takes the
course the ability to read
1,000 words a minute with
adequate comprehension. The
cost of the program is \$85 for
students and \$95 for adults,
with a \$10 discount to any
person who pays at the sec-
ond meeting, which will be
this Thursday at 7:30 p.m.

The company uses a pacer and
a projector which flashes
phrases and scrambled sen-
tences on the screen at the
rate of 1-100 of a second. If
you blink when the flash oc-
curs, you truly miss the en-
tire flash! Most people check
in with a speed of 200 or 300
words a minute and are capa-
ble of reaching an ultimate
speed of between 4,000 to 15,
000 words a minute.

Friday night, Apr. 14, is the
night for the annual Old Glory
School Fun Festival.

Mr. Bill Wright and his
Freshman Class will start
serving a barbecue chicken
plate at 5 o'clock Friday
afternoon—one-half chicken,
trimmings and drink for \$1.25.
Serving will continue for
several hours, as long as any-
one wants to eat. At 7 p.m.
the first and second grade al-
ong with several pre-school
children will stage a Tom
Thumb Wedding under the
direction of Mrs. Travis Beil.

Other classes will sponsor
Cake Walk, Bingo and various
other activities.

Proceeds will go to the
class funds in Old Glory
School.

Old Glory High School
Students compiled 49 points at
the Interscholastic League
Literary meet in Gorie last
week. First place winners
were Rebecca Letz, girls
poetry interpretation, and
Clifford Gholson, boys poetry
interpretation. Second place
winner, Judy White, girls ex-
temperaneous speaking and
third place, Gary Moore, boys
prose.

Old Glory grade schoolers
won a total of 32 points.
Dewey Dudensing won first
in Junior Boys Declaration,
Beverly Newman, second in
Sub Junior Declaration for
girls, and Sammy Henderson
second in boys Sub Junior
Declaration.

Mr. and Mrs. Floyd Davis

RPCG Sets May 22 Or Later As Target Date for Cotton Planting

The target date for start-
ing cotton planting this year
is May 22 or after, according
to Charles Stenholm, execu-
tive vice president of the
Rolling Plains Cotton Grow-
ers. He added, however, that
every community should base
its planting date on local
moisture conditions, five-day
forecasts, long range weather
predictions and what the ma-
jority of the farmers in the
community want.

It appears at this time that
the majority of the farmers in
the Rolling Plains will make a
big attempt to abide by the
May 22 date. The selection of
the date is one of the most
important managerial deci-
sions a farmer makes each
year. The advantages of fol-
lowing the May 22 date are
many. Land is left bedded

and in excellent condition to
soak up and store early May
rains for later use of making
pounds of lint. When plant-
ing is done earlier, heavy May
rains fall on flattened ground,
then run off eroding the soil.
Planting early encourages
more weed growth and in-
creases costs of making a
crop, while late planting cuts
down overall expenses greatly.
Planting late allows the cot-
ton plant to grow with nature
instead of against it.

Community and county-
wide cooperation in planting is
also recognized as being es-
sential for economical control
of the boll weevil. Normally
a cotton plant begins squaring
about 40 days after planting
and squares reach the one-
third grown stage 10 days
later. Overwintered weevils

do not destroy squares or lay
eggs until the squares are one-

Medical Self Help Training Course Completed Here

Certificates have been
earned by several students and
adults upon the completion of
the Medical Self Help Train-
ing Course conducted here by
the C-B Radio Club.

Certificates were presented
to those who passed a test at
the close of the course. Their
names are now recorded with

Those receiving certi-
ficates are John Stallcup,
Tracy Rowland, Bryce Fowler,
David Mullings, Dewayne

Bryant, Doug Elliott, Glen
Williams, and Rudene Black-

The course was held every

od of eight weeks, was con-
ducted by Williams and Jerry
Pritchard.

third grown. Growers agree-
ing on the May 22 planting
period allow overwintered
weevils to be out of hiber-
nation before squares are one-
third grown. Weevils can then
be more easily controlled by
a community wide early sea-
son spray program in which
two applications of low volume
insecticide are applied before
the overwintered weevils
have an opportunity to lay
eggs.

"Uniform planting dates are
just one of the many ways
farmers in the Rolling Plains
can work together to increase
production of higher quality
cotton," said Stenholm.
"Weather data is available
for all areas of the Rolling
Plains to assist farmers in
making their decisions. Con-
tact RPCG for any needed
information."

Capital expenditures by the
Texas petro-chemical industry
total nearly \$5 billion.

Three Day Beef Short Course To Start In Anson Tuesday

A three day Beef Cattle Short course will be held at the 66 Sirloin Cafe in Anson on Tuesday, Wednesday, and Thursday, April 18, 19, and 20 of next week, according to Jones County Agent, Kirby Clayton.

A slate of four specialist from Texas A&M University Extension Service will be on hand to present the program. The program will start each night at 7:30 and will be over by 9:00.

Mr. Uel D. Thompson, Extension Animal Husbandman, will discuss "Methods of Determining Beef Cattle Requirements from Forage Analysis."

Mr. L. A. Maddox, Extension Animal Husbandman, will discuss "Breeding Herd Management along with Beef Conformation as Related to Production."

Mr. John McHaney, Ex-

tension Economist, will discuss "Outlook Information for the Beef Cattle Industry in the Years ahead."

Dr. C. M. Patterson, Extension Veterinarian, will discuss "Livestock Diseases and Disease Programs."

On Thursday morning, April 20 at 9:00, Dr. David Ballard of Stamford will present a demonstration on Pregnancy testing and Artificial Insemination on the Guy Steen Farm just north of Anson. A demonstration will also be held on Freeze Branding at the same time.

There is no charge for the school, says Clayton, and all Livestock Producers are urged to attend.

For further information on the short course call the County Agent's office.

SECOND GRADE MAKES COOKIES —

Following a study about the Gingerbread Man, pupils in the second grade classes made Gingerbread cookies. Displaying their cookies are, left to right, Jan Ford, daughter of Mr. and Mrs. Joe E. Ford, Erma Jean Hunter, daughter of Mr. and Mrs. W. W. Hunter, and Eva

Morales, daughter of Mr. and Mrs. Raymond Morales. Michael Allen, son of Mr. and Mrs. Don Allen, shows his story book about the Gingerbread Man. The cookies were made from mix, formed and decorated by each child, and baked in the school cafeteria.

Scarborough Returns From Three Day Trip to Washington, D. C.

John Scarborough, Hamlin area farmer and president of the Jones County Farmers Union, was one of 90 members of the Farmers Union that took part in the annual Farmers Union Cotton farmers fly-in to Washington.

Warns of May 1 Wheat Deadline

J. W. Landers, chairman of the Fisher County ASCS committee, would like to remind wheat producers that the county office will not measure wheat this year as has been the practice in the past. Producers must measure their own crop and report to the county office not later than May 1, or they will not receive wheat certificates worth approximately \$1.25 per bushel on thirty five percent of the allotment.

Mr. Landers further states that the county office will give all assistance possible in the county office to help producers with their measurements. Also measurement service is available for producers who wish to pay the cost and have county office personnel come to the farm and measure the crop.

Producers are urged to make their report as soon as possible in order to avoid the last minute rush.

Scarborough was joined by Stuart Propst, Kenneth Herndon and F. A. Lollar of Anson; Max Carriker and Foy Mitchell of Roby; and E. M. Lawrence of Aspermont; in the three-day trip to Washington.

The group made contact with over 300 Congressmen and Senators in Washington to discuss cotton production and marketing problems.

One of the problems brought to light during the trip was on cotton grading. As a result of the trip, several congressmen have agreed to meet together as a committee to map out the best plan of action to relieve this situation — with mechanical grading as a possible answer.

Other points of interest to cotton farmers which were discussed with agriculture department officials included: projected yield, CCC Marketing of Cotton, price differentials, and skip-row.

Scarborough said that no trip to Washington by area farmers would be complete without discussion on skip-row with the agriculture department. According to one spokesman in the group, "It is felt that we got our foot a little further in the door on the skip-row situation, and we have hopes that the situation might soon be eased."

George Bonds In Abilene Hospital

George Bonds, son of Mr. and Mrs. L. C. Bonds was taken to Hendrick Memorial Hospital in Abilene Sunday afternoon after a horse fell on him while working cattle. The accident happened about 1:30 p.m. while he and his father were moving some cattle eight miles west of town.

George suffered multiple compound fracture of his left leg, just above the boot top. Surgery was performed at the hospital Sunday afternoon.

A student at Tarleton State College, Stephenville, George had come home for the weekend to see his brother, Jim, run in the district track meet in Colorado City and took advantage of time at home to help his father.

He is in room A 603

Services Held In Hobbs Monday for Mrs. Oscar Seaton

Services were held in Hobbs School Auditorium Monday at 4 p.m. for Mrs. Oscar B. Seaton, 61. She died suddenly at 6:45 a.m. Saturday in Carlsbad, N. Mex.

Scott Mitchell, minister of the Rotan Church of Christ, officiated.

Born Gladys Cline, May 16, 1905, she was the daughter of the late Mr. and Mrs. George W. Cline of Milford in Ellis County.
